Dear President,

With this letter I want to inform you of the following. Please be aware that the WTF Global Athlete and Official License is mandatory for all competitors in all age categories at all events sanctioned by ETU, WTF and other Continental Unions.

The new ETU statutes are in force and this means that the senior athletes have to have the WTF GAL license to participate at National Championships in your country. ETU would appreciate if your federation can make sure this rule is incorporated in your federations rules and regulations.

In addition, I would like to point out that your federation can only apply for WTF GAL Licenses for athletes who are residing in your country, even though there might be a case of double nationality involved. The country of residence is leading.

If you have any questions, please do not hesitate to contact the ETU office.

Yours,

Michael Fysentzidis
ETU Secretary-General
